FOR USING THE SAME"

Asst. Commissioner for Patents
Washington, D.C. 20231

RECEIVED

DEC 18 2002

GROUP 3600

SIR:

In response to the Office Action dated September 12, 2002,
please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend Claim 1 as follows:

1. An apparatus for separating soil, the apparatus comprising:
- a frame;
 - an axle associated with the frame;
 - a cylinder associated with the frame;
 - discs attached to the frame wherein the discs are aligned on
and attached to the axle between the frame and the soil and further
wherein the discs rotate upon contact with the soil; and
 - a controller associated with the cylinder wherein the
controller is remote from the frame and controls movement of the
frame such that the discs are moved with the frame

Please amend Claim 10 as follows:

10. A method for dividing soil, the method comprising the steps
